Nintendo Power is the video information source that arrives in your mailbox six times each year. (It's not available in stores!)

It's packed with super hints, tricks, tips, tactics and new-game information to help you sharpen your skills. Master your game. And make more informed game choices. Nintendo Power will turn the average player into a video wizard.

Insider Tips and Expert Tricks

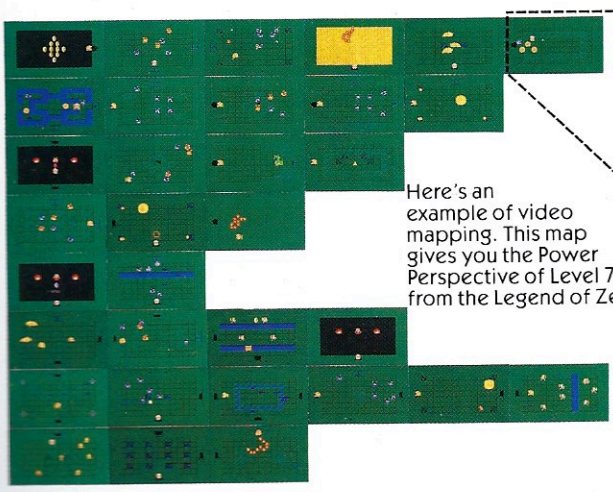
The programmers and pros reveal their secrets so that you can become a video master. Find out how to win extra lives, learn continue codes and stage selects, plus tricks you never dreamed existed. You get detailed instructions graphically illustrated with full color screens.

Nintendo Power gives you the Power to choose

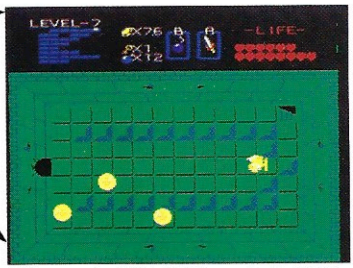
This powerful players' magazine gives you in-depth guides to all the latest Game Paks for your Nintendo Entertainment System® (NES) and Game Boy™ compact video game system, so you'll never make the wrong game selection. Secret previews of future releases let you in on what's coming next, months before anyone else.

Plus page after power-packed page of news, ideas, posters, contests, prizes and incredible maps!!

Get the Power Perspective! For better play, you can't live without video mapping. Power technicians expertly piece together game screens to map out tactics and proper course of action. We open up the game for you and give you a view of it that you can't get anywhere else. It's the Power Perspective, only from Nintendo Power.



Here's an example of video mapping. This map gives you the Power Perspective of Level 7 from the Legend of Zelda.™



Wipe out all the Wallmasters, then push all the blocks in the room. A secret passageway will open.
